I am writing to tell you that CalTech International Telecom is no longer in business. It has been at least three or four years since we have had a customer. In addition, we no longer want to be considered an operating company by the Illinois Commerce Commission. We have no customers and have not billed a customer for some time. If you have any questions please call me at 847-409-2920. Thank you for all your help in the past and again if you have any questions please call me.

Sincerely

Robert Walowitz
